About Us :

Greenworld Fashions Limited has been established and started its operation as a garments manufacturer from 1999, in Dhaka - the capital city of Bangladesh. With rich knowledge of different culture, fashion, latest technology and standard quality assurance; Greenworld Fashions Limited always aim to fulfill its valued client's requirements.

Greenworld Fashions Limited has continued to steadfastly expand, diversify and provide vital employment, revenue and commercial development tailored to global markets; with Bangladesh's future firmly at the core. Throughout the years, we had gone through a tremendous development and have now evolved to be one of the leading producers of Denim fabrics in Bangladesh.

Since opening its door, Greenworld Fashions Limited has rapidly expanded to become one of the best international apparel manufacturing state serving fashion, private and brand labels in the USA, Canada, France, and the UK.

Greenworld Fashions Limited is renowned among its clients across the world for optimally efficient supply chains, 100% ethical trading policies, environmental compliance and strong commitment to sustainability.

It is against these benchmarks that clients know they can trust us to deliver without fail and to their own stringent quality standards and lead times. These clients include Cogimex, Sa les Complices, Cora, Stokomani, Carrefour to name just a few.

Our wholly owned infrastructure places us uniquely to achieve the most cost-effective, competitive and quality assured services and products for brands who demand nothing less.

Our clients enjoy Greenworld Fashions Limited's end-to-end manufacturing services that cover every aspect of garment production from textile production to manufacture, washing, finishing, quality control, clearance and shipping.

This wholly owned infrastructure equips us to deliver new products to market via a fast, competitive and seamless supply chain that others who outsource cannot offer.
